

## RECUERDO — EXPERIENCE & REMEMBER

Recuerdo Wines offers enthusiasts the opportunity to experience premium wines that capture the best of Argentina's unique terroir, specifically within the high-altitude Uco Valley. Recuerdo means "memory" or "memento" in Spanish. As such, the Recuerdo winemaking team of Santiago Achával and Pablo Martorell passionately believe that each bottle of Recuerdo should not only represent Argentina's native terroir but also serve as a memory of each and every harvest.

## 2010 TORRONTÉS

The emblematic white wine of Argentina, the 2010 Recuerdo Torrontés is cultivated in the Argentine province of La Rioja. The quality of this region results in extremely aromatic varieties. The wine is fermented in stainless steel tanks to preserve its fruit intensity and lively aromatics. Light in color, Torrontés has a citrus perfume with a pronounced floral essence. Peaches, Asian fruits, and hints of lemons explode on the palate. Well balanced, with a crisp finish, this white wine pairs well with a variety of lighter fare and will surely impress your Sauvignon Blanc and Viognier-loving friends!
