

RECUERDO — EXPERIENCE & REMEMBER

Recuerdo Wines offers enthusiasts the opportunity to experience premium wines that capture the best of Argentina's unique terroir, specifically within the high-altitude Uco Valley. Recuerdo means "memory" or "memento" in Spanish. As such, the Recuerdo winemaking team of Santiago Achával and Pablo Martorell passionately believe that each bottle of Recuerdo should not only represent Argentina's native terroir but also serve as a memory of each and every harvest.

2011 ALIADO

The 2011 Recuerdo Aliado is cultivated in the Uco Valley, which is situated on the eastern side of the Andes Mountains in Mendoza. The fruit for this pure expression of Malbec is hand-sorted for its superiority and aged in select French oak barrels for 22 months. Dark and intense in color, the wine opens with concentrated aromatics of rich cherry, blackberry and plum. The vivid flavor profile boasts dark fruit, licorice and violet, with fresh acidity and a round, lush mouthfeel. The finish is persistent in length.
